

OUR SERVICES

We believe that everyone has something to contribute to community.

Sometimes a person's skills and abilities aren't apparent; their talents need to be identified, developed, and focused to find the right opportunity.

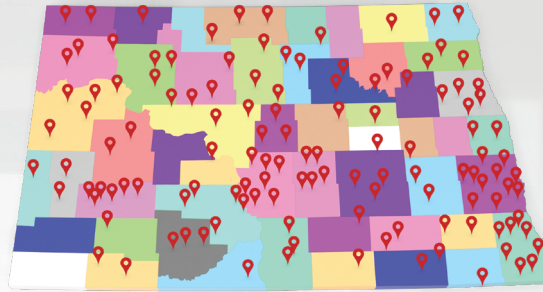

Through the development and diversification of skills, a person gains greater independence and earns more opportunities.

OUR VALUES

At Easter Seals Goodwill ND, Inc. we believe education, training, and work are transformational. They form the strong foundation that provides opportunities to people who have barriers to employment.
